1. Access Illinois Email
   a. All communication for your Companion Animal Nutrition Certificate classes will go through your Illinois email. To log on to your Illinois email for the first time please visit https://techservices.illinois.edu/services/email.
      i. Type your Illinois email into the email box. Your Illinois email is your netID@illinois.edu.
      ii. The website will say Taking you to your organizations log in page.
      iii. Re-Type your Illinois email in the email box, and use your netID password as the password.

2. Access Compass
   a. Classes for the Companion Animal Nutrition Certificate will use Compass 2G as the primary classroom platform. To log in to Compass 2G for the first time visit https://compass2g.illinois.edu/webapps/login/.
   i. Type your netID and your netID password in.
   ii. You will be taken to your main compass home page.
   iii. The classes you are enrolled in will appear under My Courses
      1. Please note that your classes will not appear in Compass 2G until right before classes start. If you register after classes begin, it will take 24 hours for classes to appear in your My Courses.
   iv. For compass help, visit https://techservices.illinois.edu/services/illinois-compass-2g/illinois-compass-2g-training-resources-students
